Dear Jennifer Cashman,

Attached is the letter and amended tax bill that I attempted to hand deliver on July 1st and July 2nd, 2024, which you refused to accept in person. Since you are a public servant and your office is open to the public, you are obligated to accept this document and all documents presented to you. As you requested, I am mailing this document via certified US Mail and will receive and retain proof of delivery from the United States Postal Service.

If you require more time to respond adequately, you may request more time in writing via certified mail.
