DELINQUENCIES AND UNREDEEMED TAX LIENS - and -
04/23/26, sent certified mail from BOSTON MA, titled NOTICE OF
IMPENDING LIEN.*

Dear Jennifer Cashman,

This letter is to respond to the *unsigned* letters sent from the ALL CAPS
Legal fiction Name: JENNIFER CASHMAN, and from the corporation TOWN
OF BELMONT, addressed to the ALL CAPS legal fiction COLLEEN & JASON
PALMER.

i, Colleen Palmer, and my spouse Jason Palmer, are living souls, woman and
man and the beneficiaries and agents of the trusts indicated by the ALL
CAPS version of our names. Jennifer Cashman, acting as TAX COLLECTOR,
whom i, Colleen, have interacted with woman to woman, is a living soul. we,
Jason & Colleen lay our heads to rest, live, pray, drink, eat, play, sing, dance,
read, create and breathe, in our home and on the land created by the Most
High God who rules the Universe, which is represented in the letters you
sent as "real estate" MAP/BLK 244-008-00 and MAP/BLK 244-009-00.

The recent unsigned letters regarding "real estate" listed as MAP/BLK
244-008-00 and MAP/BLK 244-009-00, were:

- dated 02/11/26, from TOWN OF BELMONT tax collector, titled NOTICE
OF TAX DELINQUENCIES AND UNREDEEMED TAX LIENS and
- dated 04/23/26, sent certified mail from BOSTON MA, titled NOTICE
OF IMPENDING LIEN.

Both letters, being unsigned by a living soul, and containing false claims,
including that of UNPAID TAX, NOTICE OF TAX DELINQUENCIES and
UNREDEEMED TAX LIENS, and NOTICE OF IMPENDING LEIN, **are**
fraudulent.

we, the living souls, Jason and Colleen do not contract with LEGAL FICTIONS, and our trusts designated as our ALL CAPS names, being fictional non-living entities, cannot engage in a contract without the living souls Jason and Colleen, who are the beneficiaries / agents of the trust written as the ALL CAPS names. This distinction has not been clarified in our previous correspondence and we would like you, Jennifer to note the distinction between the all caps names COLLEEN & JASON PALMER legal fictions and the living souls Colleen, a woman, and Jason a man.

According to my records, through your lack of performance, Jennifer Cashman, and failure to reply, you have tacitly agreed on behalf of the TOWN OF BELMONT as Town Clerk/Tax Collector to the amendments of our REAL ESTATE TAX BILLS.

We have, in good faith, continued to voluntarily pay the agreed upon amended REAL ESTATE TAX BILLS, and **we have no TAX DELINQUENCIES, no tax delinquencies, no Tax Delinquencies, no Delinquent amounts, no statutory interest, no accrued interest, no interest, no INTEREST, no INTEREST AMOUNTS, no PENALTY, no PENALTIES, no UNPAID TAX, no COSTS, no TAX LIEN COSTS, no costs accrued, no cost accrued, no Tax Liens, no tax liens, no TAX LIENS, no Tax Lien, no tax lien, no TAX LEIN, no UNREDEEMED TAX LIEN, no UNREDEEMED TAX LIENS, no real estate lien, no TAX LIEN CHARGES, no lienable items, and no other iterations of the previous words listed in bold that a man or woman would assume were referring to any of the above terms specified.**

You have failed to reply to our demand for proof of your claim of property tax requirement, and have failed to refute our Affidavit of Truth regarding school and education in New Hampshire.

we, Colleen, a woman, and Jason, a man, are willing and continue to pay taxes to support the town as was agreed to by the living souls, Colleen, Jason (beneficiaries and agents of the trusts designated by our ALL CAPS names) and Jennifer Cashman, a woman acting as Tax Collector, in the the meeting of the minds which amended, ad infinitum, the contract called REAL ESTATE TAX BILL. We continue to engage with you, Jennifer Cashman, in honor and we ask you to do the same.

Jennifer Cashman, your fraudulent threats are causing us harm. You are continuing to engage us to perform in response to your fraudulent notices, while you continue to fail to perform in response to our letters, and fail to perform a refutation of our Affidavit which continues to stand as Truth.

We ask that you cease trespassing against us and we forgive you for trespassing against us in the past.

Notice to Agent is Notice to Principal; Notice to Principal is Notice to Agent

The fee schedule moving forward is as follows:

It is agreed that the **cost of performance**, such as but not limited to a performance in response to fraudulent letters and notices containing fraudulent claims similar to the letters and notices from Jennifer Cashman and the Town of Belmont, which are the subject of this letter, is **Five Hundred Thousand US dollars, which shall be due from agent, Jennifer Cashman and Five Hundred Thousand US dollars, which shall be due from principal, TOWN OF BELMONT to Colleen Palmer for performance.**

The contract regarding the “real estates” at 296 Shaker Road often referred to as REAL ESTATE TAX BILL, is between the agents Jennifer Cashman and Colleen and Jason Palmer for the Legal Fictions TOWN OF BELMONT and COLLEEN & JASON PALMER. For any man, woman, legal person, corporation or other entity which would like to join our contract there will be a Ten Million US dollars joinder fee.

Joining the Contract

It is agreed that a joinder fee shall be established in the amount of Ten Million United States Dollars per each action of a party not named herein, which attempts to impair this Contract or stultify any of the parties thereto, and that this fee shall be due from said party.

May God’s will be done in Earth as it is in Heaven.

Sincerely,

by... Colleen Palmer
